### LIST RENTAL AGREEMENT

The AASLD membership is comprised of many different hepatology health professionals including: scientists, clinicians, educators, surgeons, researchers, nurses, transplant and research coordinators and physician assistants.

The AASLD membership mailing list may be rented in its entirety or in geographic segments. Estimated membership counts are as follows and all lists are sent in Excel format via email:

All Members	2,300	<input type="checkbox"/>
United States	1,500	<input type="checkbox"/>
North America (includes Mexico & Canada)	1,570	<input type="checkbox"/>
International	730	<input type="checkbox"/>

The AASLD membership mailing list is available for one time use only and will be sent via email upon approval of your request. The mailing list contains mailing information only – emails addresses are not included and are not available for rental. Upon completion of this one-time mailing, all names and addresses supplied by AASLD are to be destroyed.

To complete your order for rental of the AASLD membership mailing list, AASLD will need a sample of your mailing piece. The text of all mailers is subject to approval by the AASLD Executive Director. You will be notified if the mailer has not been approved. If you are renting the list for multiple mailings, AASLD will need a sample piece for each mailing. Using the list for mailings not approved by AASLD will result in multiple charges or decline of future rental requests. Processing takes approximately 2 weeks from the date of receipt of the completed agreement, sample mail piece and payment. **Pre-payment is required.**
